Allied Fire & Safety Equipment Company, Inc.

PO Box 607
Neptune, NJ 07754-0607

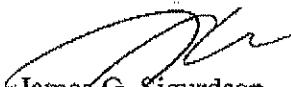

Dear Mr. Newell,

I would like to commend Allied Fire & Safety Equipment Company, Inc. on the excellent service that has been provided to our company over the past few years. The two technicians who cleaned our kitchen hood this afternoon did an outstanding job not only cleaning and polishing the hood, but also cleaning the counter and sink areas they used. I have worked with a lot of contractors in the past, and few have taken the time to leave our kitchen as clean as your employees have done.

I am happy to report that this has been our experience with Allied Fire & Safety, whether it is installing or servicing a fire suppression system, or routine maintenance on our equipment.

It is a pleasure to do business with you and with your company.

Sincerely,

James G. Sigurdson
Executive Director
