Dear Frank,

As the World Leader in Fire Protection, Tyco Fire & Building Products works globally to protect the lives and property of people through innovative fire suppression technologies systems. Committed to research and product development, we have pushed to improve the safety and structure of residential, commercial, industrial, and institutional buildings around the world.

With more than 3000 Tyco Fire & Building Products employees, we are focused on the design, manufacture, and support of fire protection systems worldwide and are the preferred supplier of fire suppression systems on a global level. Tyco Fire & Building Products is committed to exceeding our customers' expectations through superior customer service, delivery, and innovation. We owe our success to companies that are equally committed to the advancement and growth of the fire protection industry and therefore, **Allied Fire & Safety Equipment Co. in Neptune, NJ** has become one of our prime business partners in the Northeastern United States.

It is apparent that, due to its team of talented professionals, Allied Fire & Safety Equipment Co. is dedicated to offering its customers and suppliers the respect, quality, and service that they expect and deserve. Tyco Fire & Building Products is proud to be a part of your business and we value the relationship that has developed over the years and look forward to an ongoing mutually beneficial relationship.

Thank you for your continued business, loyalty, and support.

Sincerely,

Daniel M. De Dominic
Regional Sales Representative
